### Current/New Business:

- Keep making payments to your son/daughter's accounts. Thank you to everyone that has sent in payments.
- Fundraising will be tabled until after Marching Band season.
- Jennifer Housel will be the liaison with the North Boosters. If anyone is interested in helping in the concession stands for sporting events, please contact Jennifer.
- The Showcase/Festival is October 9th. A signup genius will be sent to all parents to sign up to help on the day of the festival. Jobs will range from concessions to directing bands to practice areas and the field. All parents are encouraged to sign up for at least one area to help make it a successful festival. There will be 16 bands performing at the festival.  
Mike Sizemore gave an overview of the timeline of when festival events start to happen and when he will be needing the most help. The beginning of the festival setup starts in the spring and summer is usually a one man job with lots of followup when September comes and even more followup the week leading up to the festival. The time that most volunteer help will be needed is the week of the festival and of course on the day of the festival. This year there may be issues with getting some of the food/drinks that are needed but will wait to see how the vendor works before asking for donations to the concession stands.
